## THE LAPD NOW HAS A CRIMINAL HISTORY WITH ME (/KATHYGOLD.WEEBLY.COM/MONEY/THE-LAPD-NOW-HAS-A-CRIMINAL-HISTORY-WITH-ME)

8/17/2016

While living on Deseret, I was in a gas station talking to the people that worked there and this woman who was waiting in line interrupted my conversation and violated my 1st amendment, this Karen Solley (<https://www.facebook.com/ksolley1>) attacked me, physically attacked me and then threatened me, she wanted me arrested after she attacked me. Per her, her brother is on the LAPD. I don't know if that's true cause the LAPD never bothered to get the evidence, the cameras recorded the incident.

If she has a brother on the LAPD, then he'll be investigated too along with her, that would mean they are both in collusion, their SOP is for her to attack strangers violently and then call her brother on the police force and lie, he's gonna believe his sister and not a stranger and then he'll reinforce all the trauma and pain that she caused. This would be corruption and abuse by the LAPD. So if she was telling the truth, then her brother in the LAPD will be going to prison too cause they're gonna find all his crimes on and off the job.

After the attack, I went into the police station and filed a police report. But the LAPD did nothing, they never bothered to get the camera evidence and they had 30 days.

So as the victim, I'm now on the hook for the hospital bills cause I had to go to the hospital after this attack. The LAPD by not doing their jobs and getting the evidence, I can't go to civil court for my damages against this woman, so they will have to pay for it, along with my security needs.

In 1998, when I followed up on the police report (<http://www.scientologyforyou.info/scientologydox/File0006.PDF>) that I paid for, I was yelled at, screamed at over the phone, the LAPD dude screamed that he would not give me the police report and insinuated that if I pursued it in any way shape or form, he would murder me. He reinforced the pain and trauma of these two back to back sexual abuse incidents where in both they were trying to murder me, on purpose. In 2014, the LAPD did it again when I tried to set an appointment to come into the police station with my evidence, instead of setting the appointment, I was yelled at, interrogated and my date of birth taken, he reinforced all the trauma and pain of the hate crimes from 2009-2013. And after the attack by this Karen Solley (<https://www.facebook.com/ksolley1>), I had to send two letters just to get the police report.

So what the police did here, all three times was break the laws and violated my amendments.

They now have a criminal history with me. This isn't law and order, this is abuse and corruption by law enforcement. They didn't protect nor serve me which is also a violation of the oaths they took, or broken agreements with the public in addition to all the other laws they broke.

The LAPD will be getting 3 lawsuits from me in Federal Court and I won't be alone for the rest of my life, their intent is to make all women alone and to live in fear for the rest of their lives. They will be paying so that I have security for the rest of my life and people who will protect and serve me. This Karen Solley (<https://www.facebook.com/ksolley1>), she attacked me and instead of fighting back, I went to the police for help, what did the police do? They penalized me for doing the right thing. That's all they preach, for years, that's all I've heard on the news, not to take part in the conflict but go to them for help etc etc. So I did and I got fucked once again by the LAPD.

The LAPD fosters and creates violence. They have taught me not to go to the police for help but instead handle it myself, so I will.

The next time somebody attacks me, I won't leave the scene and go to the police for help, I'm gonna fight back, and allow a conflict started by somebody else to escalate to the point that I have probable cause to kill them even though I don't have a license to kill in present time. This is what the LAPD taught me, to be violent.

For example if this Karen Solley (<https://www.facebook.com/ksolley1>) stalks me and attacks me, I'm gonna kill her to defend myself, and I don't need a gun, I'll just snap her neck and that's the end of her. All the LAPD had to do was do their jobs but again they refused and this is the 3rd time. Things are suppose to get better, but they haven't changed. They constantly violate their own internal policies and procedures. These people aren't gonna change cause they are criminals and the ones that continue to break the laws and abuse victims need to go to prison and the public needs to keep doing it until the LAPD get it. It's quite simple really, they should apply their own training but they refuse to apply what they learn on purpose and are on power trips or fat lazy abusive and corrupt pigs.

When you go to Federal Court, it's not damages or prison, it's not one or the other, it's both,

damages and prison.

I ask myself, why me, why did I pull this bullshit in! Cause there is corruption and abuse within the LAPD and nobody is handling it. I'm not the only person this has happened to, there is alot of abuse and corruption by law enforcement, it's the news who suppress it for more then one reason.

Don't riot nor protest, it's a waste of time, go to Federal Court and put them in prison and get your damages.

I will never marry a cop this life, I will never be with anybody within law enforcement, every time I would look into his eyes, I would see nothing but corruption and abuse or what we scilons say, out ethics. And corruption and abuse doesn't turn me on, it turns me off. Most likely I'll marry a criminal, a hard core criminal that has reformed and wants off this prison planet and he won't mind killing cops for sport thru Federal Court. For the rest of our lives we'll be murdering cops legally thru Fed Court by putting them in prison and getting paid for it, basically destroying their lives and then going home and making sweet sweet love, he'll get me off, both Os. He'll be turned on by murdering cops legally thru Fed Court and won't mind going to Fed Court with me for the rest of our lives. Not to mention all the legal ops we're gonna run on these abusive and corrupt pigs LMAO Justice turns him on.
